

Online Gallery Application Form

HVAF members are entitled to a free online gallery (up to three images) on the HVAF website and are encouraged to upload their own images via the “Add my gallery” link on the MyHVAF page.

Please supply your artist statement. This is an opportunity to use “keywords” such as your name, art form and words associated with your artworks. These words are important for search engines.

For each image you need:

- The name of the image (make sure the image you supply can be associated with this name)
- A caption for each image
- Alternative image text (this is the text displayed when the mouse overs the image)

Supply relevant tags: we recommend tags should include the following words:

- your name and/or professional name
- your art form
- words describing your artworks

Please fill in the forms below.

Contact details

Name

Membership number

Address

Telephone number
