WELCOME TO HERTS VISUAL ART'S BIG ART FAIR 2023

We are delighted to be returning for our 7th year to the Town Hall in Hitchin. The Big Art Fair has become an annual fixture, a little earlier this year, and as great as all the previous years.

We have 60 Hertfordshire artists showing their work from the Preview Night on Friday through to Sunday afternoon.

As always, it's an exciting and enticing array of paintings, mixed media, printing, drawing, ceramics, jewellery, glass, sculpture and so much more for our visitors to enjoy.

From greetings cards to larger statement pieces, there's something for every pocket with a range of prices that won't break the bank. Why not take advantage of this unique opportunity to meet our artists?

By popular request we have details of our participating artists, with gallery page links for you to enjoy and find out more.

Thank you to our sponsors who play such a big part by supporting our Big Art Fair. Each one chooses an artist for their Sponsor's Choice Award - certificates presented during the Preview Night and proudly displayed over the weekend.

Be sure to fill in your voting slip, because at the end of the weekend, the artist with the most votes is awarded a certificate.

And finally, a huge thank you to all our volunteers Members who make this all possible.
