Herts Visual Arts, Press Release

Herts Visual Arts is bringing artists, artisans and art-lovers together for inspiration, discovery and a rich opportunity - art in the heart of our communities across Hertfordshire. Running now for over 30 years, Herts Open Studios remains a popular and well-established part of the annual Hertfordshire art calendar. This year Herts Open Studios runs from 10th September to 2nd October. It's Hertfordshire's largest county-wide art event with every venue free-to-enter, again delivering 3 weeks of live, in-person art. Visitors can enjoy everything from classical to contemporary, decorative to functional, figurative to abstract, wall-hung to 3D art.

We are delighted to be sharing our art with the world again and we know our visitors are ready too. Are you up for the adventure and exceptional opportunity to let our art unfold? Visitors can expect to be inspired by original artwork, prints and greetings cards. What can be more exciting than the chance to experience, or even perhaps purchase a special piece of art, direct from the artist?

Let's get out there – what will you discover?

“With many new artists joining our event alongside long-standing participants, there is just so much to explore.” said Herts Visual Arts Chair, Sally Taylor, who continued “It’s wonderful to see the excitement already building, as our artists prepare to open their doors in September. We look forward to welcoming all our visitors.”
