FREE ENTRY TO ARTISTS STUDIOS, EVENTS AND EXHIBITIONS ACROSS HERTFORDSHIRE

# HERTS OPEN STUDIOS 2023. WELCOME

I am deeply honoured to be in the position of Chair for Herts Visual Arts for another year, and introduce this year's Herts Open Studios. An annual event for over 30 years, Open Studios has become one of the most important parts of the Hertfordshire art calendar.

**Venues are free to enter:** This year we are delighted to have 65 venues with 132 individual artists taking part. With a mix of working studios, demonstrations, exhibitions, workshops and other special events, you can see and experience first-hand our artists' creative processes from early designs to finished pieces. You might even be inspired to have a go yourself!

**Online:** Visitors can navigate with our tried and tested map-based Website search - an amazing way to plan days out by venue, artist, art-form or date. We also have vibrant social media activity, and you can follow our story by using the hashtag #HertsOpenStudios.

**Our Brochure:** Find studios and build your own art trail using the colour-coded venue listings shown in the handy map.

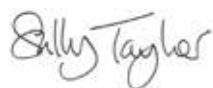

**When out and about:** Find an Open Studio by looking for yellow bunting, direction arrows, and yellow signs and banners outside venues. They are like a friend to welcome you at the gate, saying come on in.

**Remember:** Check online at [www.hvaf.org.uk](http://www.hvaf.org.uk), on our social media channels, and in your local press for the latest news.

**Thank you to our advertisers:** Please take a moment to see what they have to offer – other exhibitions, gallery spaces, services for artists, and more.

**And finally:** As in previous years, I plan to visit as many venues as possible where I am sure to be blown away by both the warmth in every welcome and the amazing inspiration I will gain. It's all about meeting artists, finding out more about them, and about their work.

**#HertsOpenStudios** is such a fantastic opportunity to join in and refresh your own creative self – what will you discover?

# ACKNOWLEDGEMENTS

Herts Open Studios began over 30 years ago and has grown considerably since those early days and is now a vibrant organisation, promoting talented artists, artisans, designers and makers across the county. This achievement has only been possible because of our team of dedicated volunteers, working behind the scenes, providing their time and expertise. We would like to take this opportunity to offer our thanks to the following:

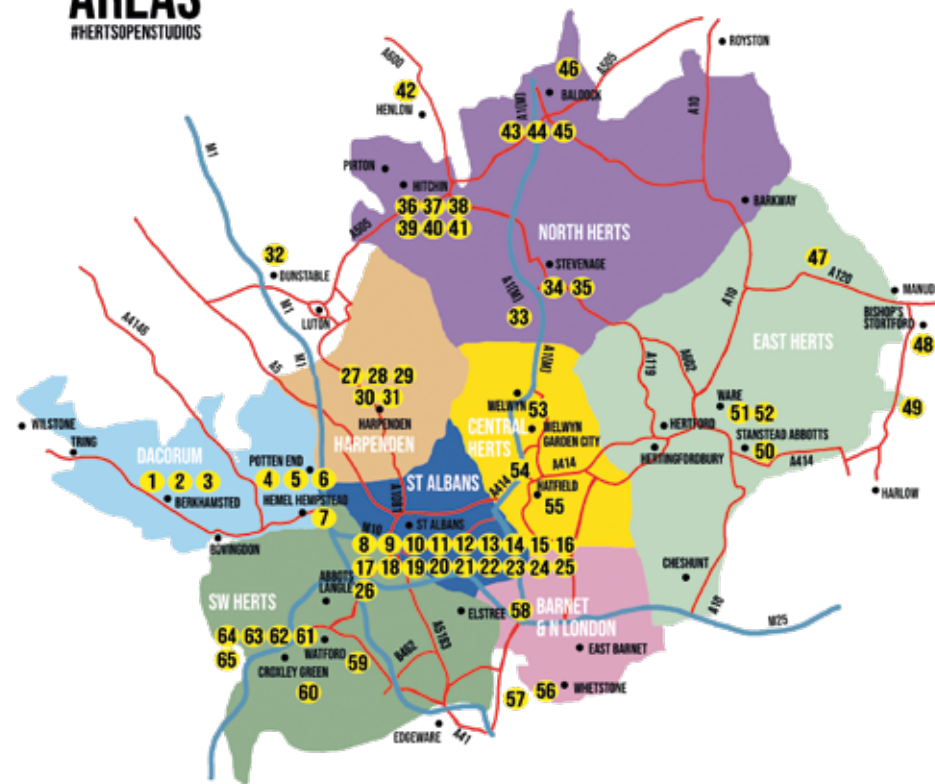

- Elspeth Hector, Proof-reader and checker extraordinaire
- Sally Taylor, Chair and Open Studios Coordinator
- Tony Searle, Vice-Chair
- Paul Hillary, Graphics and Branding
- Sandy Chiu, Map-making
- Pink Spaghetti, Social Media support
- All our area coordinators: Maggie Birchall, Victoria Culf, Sarah Sands, Debbie Knight, Val Lawson, Heather Miller, Holly Casey and Kris Gruber.
- For their creative skills, technical ability, all-round helpfulness and patience, we offer our grateful thanks to:
  - Dan Parr of MH Graphics (specifically for the Brochure artwork)
  - Alun Ward of Eye Division (specifically for website support),
  - and to Rosie Scares for all she does to promote HVAF generally and Open Studios in particular.

And finally, without our wonderful artists and Members there would be no art, so thank you for putting yourselves out there and sharing your work.
